

Tax Preparers' Due Diligence Requirements for EITC

Paid preparers who file EITC returns or claims for refunds for clients must meet four due diligence requirements. Those who fail to do so can be assessed a \$100 penalty for each failure.

- 1) Complete Form 8867, Paid Preparers' Income Credit Checklist, or your own equivalent form. (Drake Software allows you to print this form.)
- 2) Keep the appropriate EIC worksheet found in the Form 1040, 1040A, or 1040EZ instructions or in Publication 596, or your own equivalent form.
- 3) You must have no knowledge that any of the information used to determine the taxpayer's eligibility for the credit and the credit amount is incorrect.
- 4) Retain Form 8867 and the EIC worksheets (or your own equivalents of each), and a record of how, when, and from whom the information used to prepare the form and worksheet(s) was obtained. You must keep these documents for three years from June 30 following the date the return or claim for refund was presented to the taxpayer for signature.
